MILESTONES ● Nineteen Hundred Sixty-Nine

Kings Mountain High School ● Kings Mountain, North Carolina

MAUNEY MEMORIAL LIBRARY
100 S. PIEDMONT AVENUE
KINGS MOUNTAIN, N.C. 28086

We, the members of the **Milestones** staff of 1969, present to you this yearbook to cherish and to keep. This book is an attempt to capture in picture and prose, this year at Kings Mountain High School. It is also our hope that the attitudes of the students will be expressed — the joy, the disappointments, the love, and the devotion.

We intend that you, the student, will find the **Milestones** a mirror, which will reflect some of your experiences at this school. You will see the chaos of the opening day, the first back-to-school dance, the thrill of the football season, and the joy of snow days. What student does not remember Junior-Senior and May Day? What senior does not recall the nostalgia of knowing that this is his last year at Kings Mountain High? Read this book and remember.

Dedicated to

To an inspiring teacher, to a gracious lady, to an understanding friend, to one who has guided us and shown a personal interest in each of us, to a teacher who has dedicated her life and energies to the youth of Kings Mountain High School, we dedicate this **1969 Milestones** to Mrs. Mordecio E. Horrill.

Carrousel Princess

Each year the senior class elects a senior girl to represent Kings Mountain High School in the annual Carrousel Parade in Charlotte. It is quite an honor to be chosen as Carrousel Princess. The Princess participates in competition for the title of Carrousel Queen to reign over all the holiday festivities. This year's Princess is Cecelia Morrison.

Carrousel Princess: Cecelia Morrison.

Freshmen Attendants: Lynn Finger, Gail Timms, **Sophomore Attendants:** Nancy Moore, Libby Tratt, **Junior Attendants:** Sandi Ledbetter, **Attendants:** Cathy Daver, June Frederick, **Maid of Honor:** Kay Dixon, **May Queen:** Sharan Gald.

May Day cast line up for presentation

May Day '68

One of the highlights of the school year is the presentation of the May Queen and her court. Each year the students of Kings Mountain High School prepare and present to the Queen and the community a program which is directed by faculty members. The theme for May Day this year was based on the Old South. The program was directed by Miss Donno Dotson.

Miss Dotsan and Mrs. McWhirter receive flowers from the May Day cast.

Junior Senior

The biggest social event at Kings Mountain High School is the Junior-Senior. It is held in the school gymnasium in April. The theme for the Junior-Senior was "Between Two Worlds." This imaginative theme was carried out very beautifully by portraying a sidewalk scene from Paris and a scene of Diamond Head in Hawaii.

After serving Seniors, waiters and waitresses enjoy themselves.

ORGANIZATIONS

Student Participation Organization

The Student Participation Organization consists of elected representatives from each homeroom and school sponsored organization.

Because of dynamic leadership and active participation by the members of the student body, the Kings Mountain High School Student Participation Organization has achieved many things this year. Some of the goals that were achieved by the SPO were greater student representation in policy making, constitutions were written for the school organizations, and a successful Homecoming program was carried out.

Internal Combustion Engine

The most appropriate description of the Internal Combustions Engine class is "learning by doing." Those students who are interested in learning and gaining experience in the field of auto mechanics belong to this club. Each year two boys are chosen to compete in the Plymouth Car contest.

Cosmetology

This is the only class which completely prepares a student to begin work immediately upon graduating from high school. We are fortunate to have this club in our school. Students are trained in the field of hair styling and may, upon passing the state examination, qualify as a licensed beautician.

DECA—Distributive Education Clubs of America—is a national youth organization that operates through schools to attract students to careers in the fields of distributing and marketing. The diamond, symbol of DECA, has as its four cornerstones: the ideals of vocational understanding; social intelligence; civic awareness; and leadership development.

DECA

Bricklaying

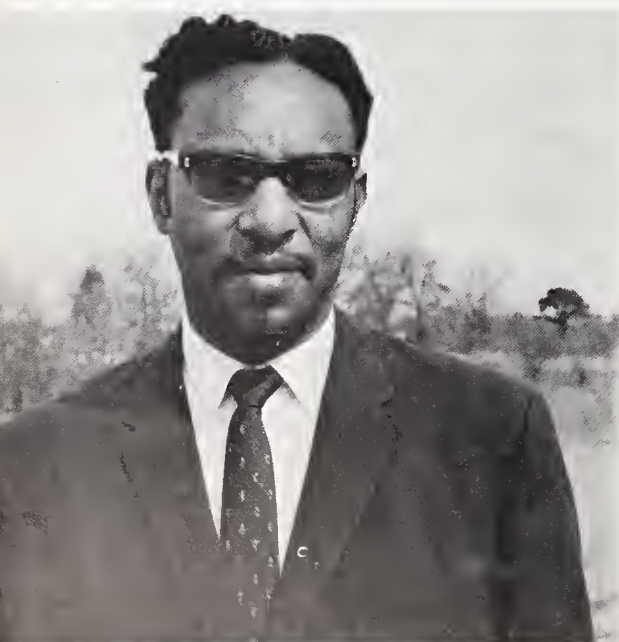

This club is to prepare the student for leadership in the world of work. The development of the whole student is the aim of this club. Students are taught that in a democratic society everyone has the right to develop himself to the greatest extent of his capabilities.

EXAM PRAYER

Now I sit me down to study

I pray that I don't go nutty.

If I should fail to learn this junk,

I pray thee Lord that I won't flunk.

When I die, don't pity me at all

Just lay my bones in study hall.

And tell my teacher I did my best,

And pile my books upon my chest.

So now I lay me down to rest,

And pray I'll pass tomorrow's test.

If I should die before I wake,

That's one less test I'll have to take.
